Two Good Two Be True

Coming up with a theme for the 2002 Magnet should have been an easy task, but it wasn't. The first ever yearbook class, made up of thirty seniors, came up with many ideas, but nothing seemed to click. Finally we looked at the obvious, the number itself - 2002. We came up with hundreds of phrases that included the number two, but most were not complimentary. No one wants to be "number two," or "second best." Then we made a breakthrough. "Too Good to be True." After changing a few letters (poetic license) we had our theme - ***Two Good Two Be True.*** We knew right away that this theme fit our class. We are too good to be true and have truly come a long way. We have proven ourselves in all areas of endeavor including academics, sports, technology, politics, extra curricular activities and community service. We also realize that our experiences here at LHS have been truly valuable. So Class of 2002 - the ***Two Good Two Be True*** class - here is your yearbook.

Class Advisors

Thomas Browne and Daryl Robichaud

To the Members of the L.H.S. Class of 2002,

Perhaps, on that fateful August morning in 1998 when you entered Leominster High School for the first time, it seemed like this day was an eternity away. Yet, for some of you, this day could not come soon enough. Either way, the moment has finally come that we can say Congratulations, Graduates of Leominster High School!

You should all be immensely proud of your accomplishments. Together you have forged a path into a new millennium. In doing so, we hope that you shared some moments of joy with each other, overcame a seemingly invincible challenge through the help of a friend or teacher, and discovered that your future success is bounded by nothing but your own fears.

Now, as you continue on your path of life, we wish you all the best. Although your future plans may be uncertain, have no concerns. Life's greatest adventures are often the ones we do not plan. Enjoy the journey - it has just begun!

Goodbye, Farewell, and God Bless,

Thomas Browne and Daryl Robichaud

Class Officers

Dear Class of 2002,

Every one said it would go by fast, but I don't think any of us realized just how quickly four years can pass. Here we are, graduates of Leominster High School, ready to go off into the world and become adults. For four years we have sat in classrooms, taken tests and quizzes, done projects, attended dances and proms, attended athletic events, and spent time with our lifelong friends. Now, we depart from the daily routine of high school and go on to new conquests, such as full-time jobs, college , or even military service.

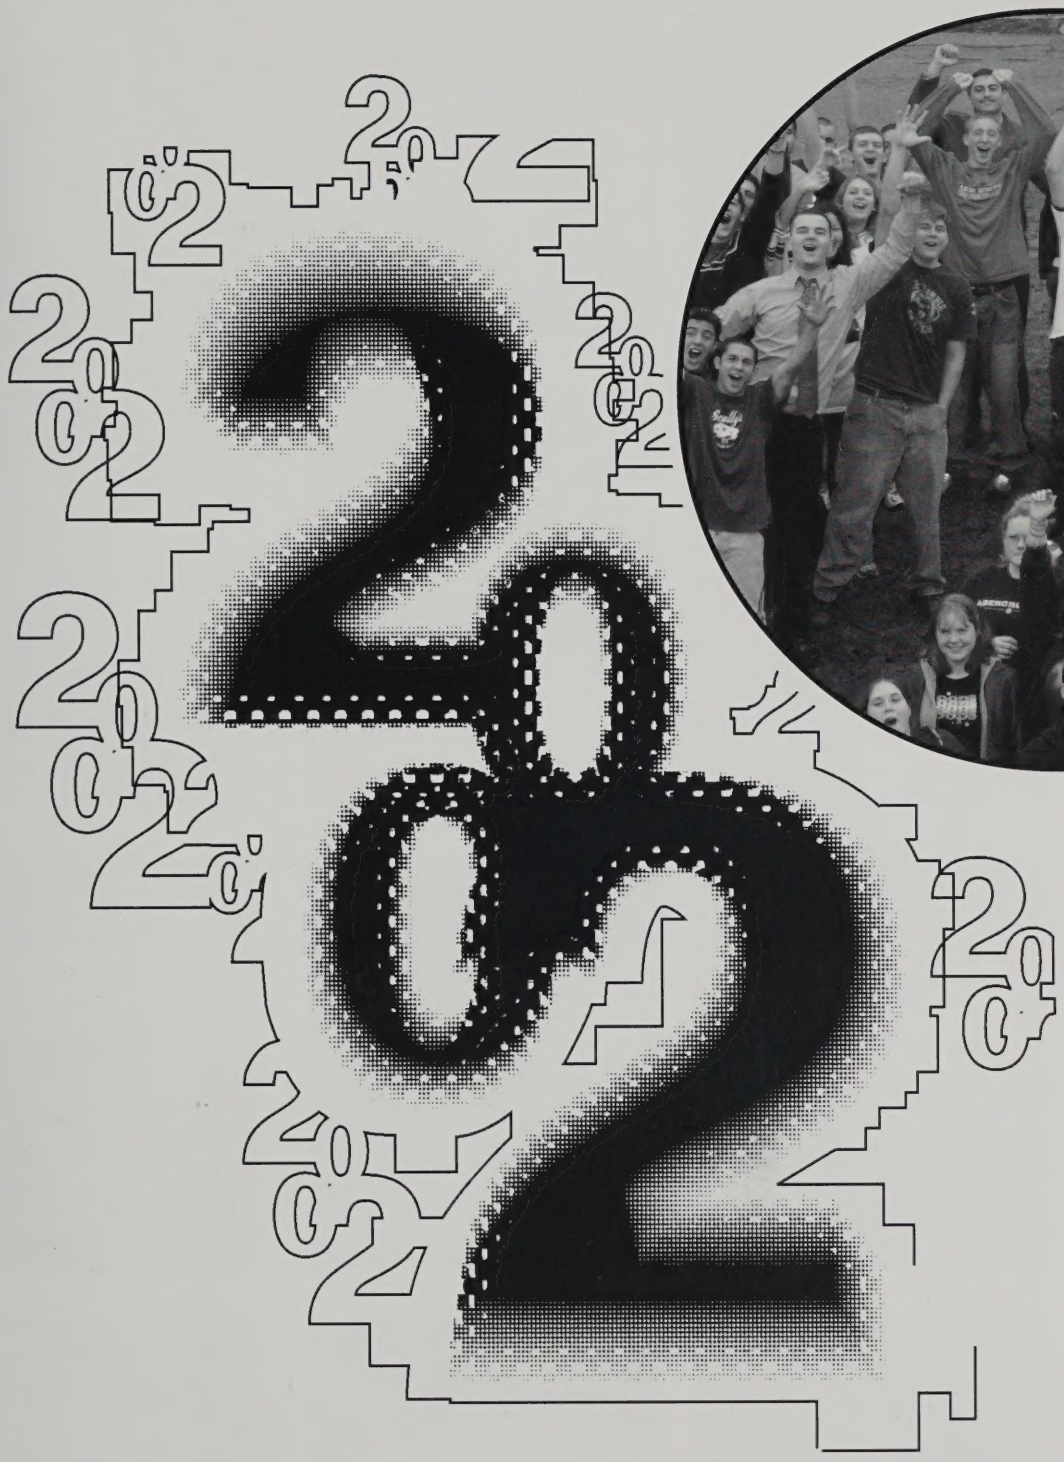

We came from different elementary schools and different social circles, but became one unified group. As soon as we walked through the doors in August of 1998 we became the Class of 2002. Now, we exit through those same doors, four years wiser and older. No matter where we go or what we do in life, we will never forget these past four years, nor the friends, teachers, and coaches who have touched our lives and made a difference in our futures. It has been said that, "We don't remember days; we remember moments." I know that none of us will ever forget our moments spent together as the Class of 2002 at Leominster High School.

We, the senior class officers, wish you luck and happiness in all of your future endeavors.

Sincerely,
President Marc Lanza
Vice President Jane Dubzinski
Treasurer Karyn Progen
Secretary Jackie Milhans

A Realization

by
Deb Smith

Time has passed
Everything's changing
It's scary
And exciting
It's a whirlwind rush
A frenzy of deadlines
And graduation goodbyes
Ans somewhere between the parties
And the tears
We grew up
And now we're saying good-bye
To the life we knew and loved
And we're entering into a new totally different one
No one really knows what's gonna happen
But I have been shown that
No matter what
We'll be fine

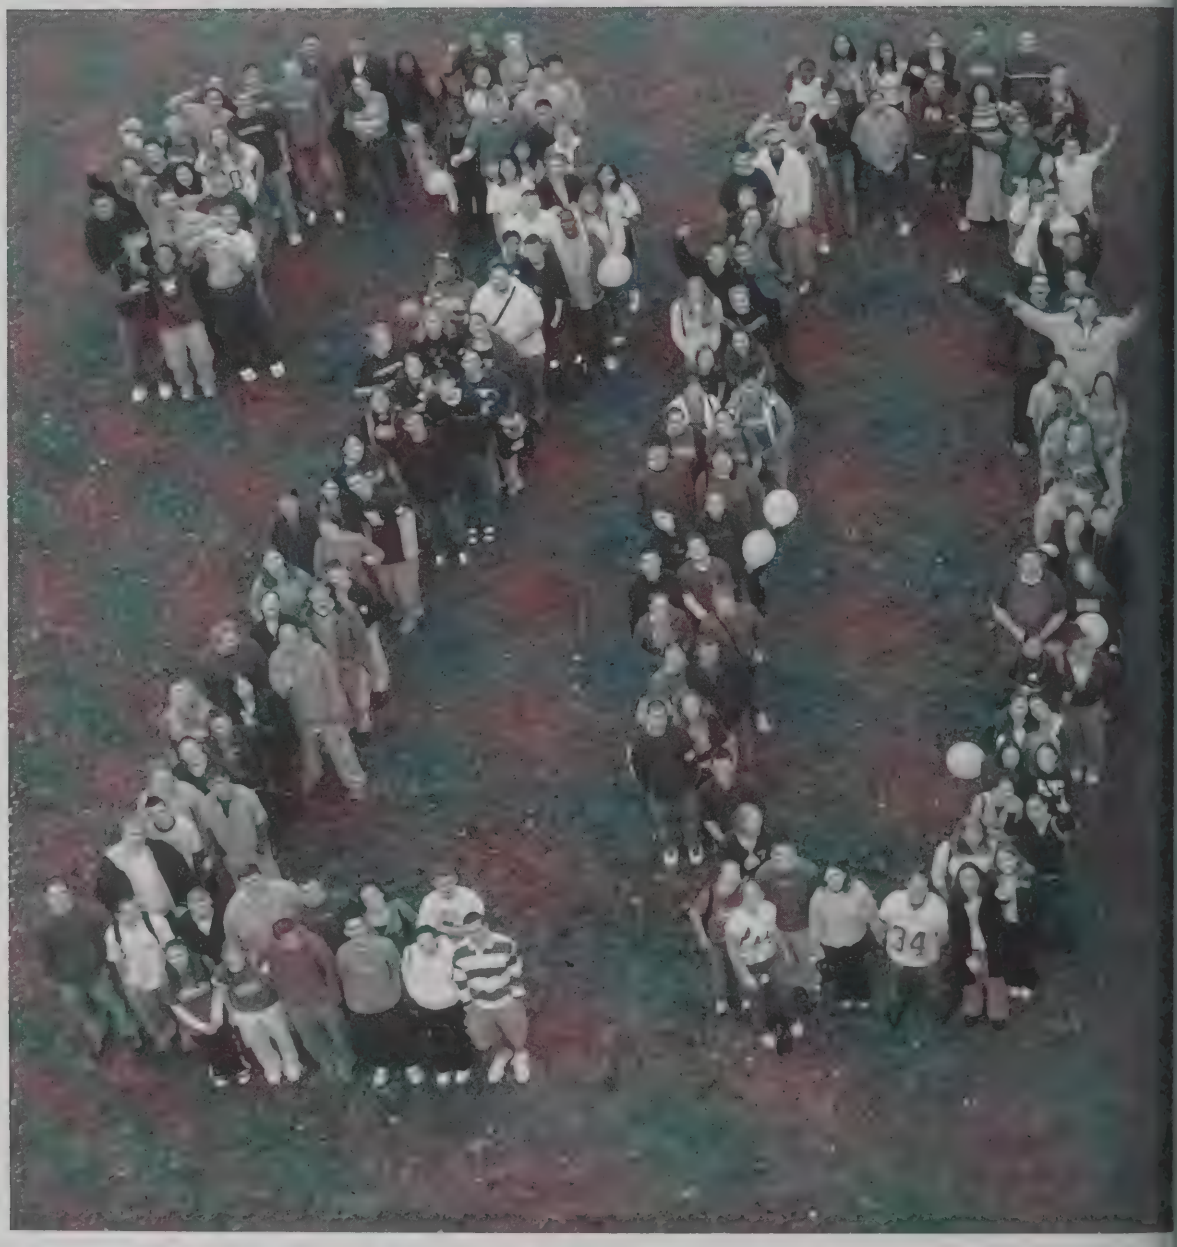

Yet I wonder, why does it have to change?
I'm scared. I want to go back,
To a time when we were younger, together, and naive
When life was simple
Cause friends I've grown up with
Are gone to places far beyond my world
Time is evil and wonderful---Ugly and beautiful
When you want it to stay a certain way forever
It speeds, a racecar on its track
And when you wish it to go fast
It crawls, molasses going up a hill
And now between all the '"stuff" we had to do
We grew up
Before each other's eyes
And now it's too late to say good-bye to some of the best people
I've ever known.

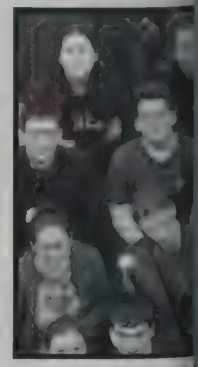

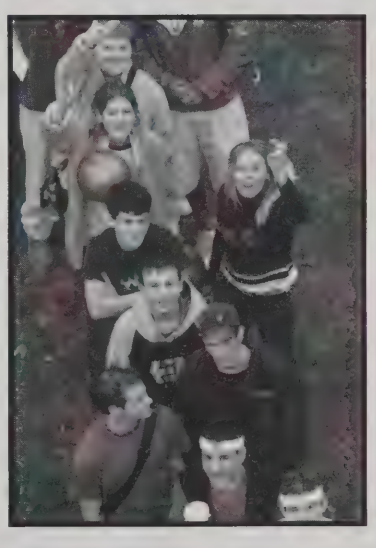

Mr. LHS

On February 7, after a one week delay due to an ice storm, Leominster High School was the site of the first ever Mr. LHS Contest sponsored by Yearbook. Eighteen of Leominster's finest posed in tuxedos and casual wear, performed movie skits and answered impromptu questions vying for the title. Emceed by Mr. Dubzinski and Kelli Cousins, and DJ'd by Ray Richard it was an evening of laughs and fun for all. It is sure to become an annual tradition.

Class

Freshman Year

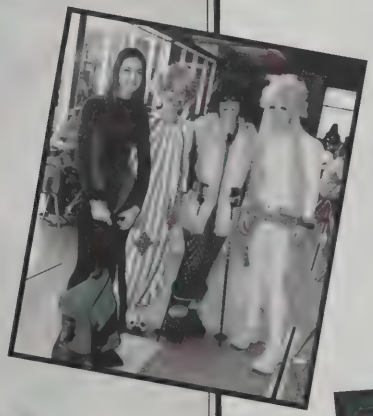

The Class of 2002 entered Leominster High School as freshmen in August of 1998. Dr. Joseph B. Rappa was the newly appointed Superintendant of Schools in Leominster. Principal, Paul T. Fleming, and CTE Director, Roger Melanson, welcomed us and we were immediately turned loose into the A, B, C, D, E, F, and shop wings of LHS. It was intimidating at first, but we eventually found our way around and began our high school educations. Mr. Thomas Browne and Mrs. Patricia Kelly volunteered to be our class advisors and we elected our first class officers. President Marc Lanza, Vice President Jane Dubzinski, Secretary Jackie Crotty, and Treasurer Jessica Maillet guided us through an eventful freshman year. The Class of 1999, our seniors, intitiated us with the traditional Freshmen-Senior week and we seemed to blend easily into the fabric of LHS. We elected Lindsay Brown and Todd Crawley our homecoming couple. Many of us joined sports teams and clubs for the first time. Some of us took part in the interclass plays; ours was "Scrambled Eggs." Our musical was "George M." Mid-year Mr. Roger Melanson bid the school system farewell after having served for 15 years as CTE Director and Assistant Principal Miss Pauline Ciccone retired at the year's end. Leominster schools faced overcrowding and numerous building proposals were put forward. MCAS tests were the buzz in Massachusetts and the tragedy of Columbine was national news. At the end of the year we left to enjoy the carefree days of summer with a new sense of belonging and pride in our school.

Sophomore Year

August of 1999 we returned to LHS as sophomores. Mrs. Kelly resigned her teaching position in Leominster and Miss Sarah Kemp signed on as our new advisor. Our class elections gave us a new slate of class officers: President Ernan Galindo, Vice President Jane Dubzinski, Secretary Nicole Friend, and Treasurer Jessica Maillet. We elected Lindsay Brown and Erik Kistler our homecoming couple. Our sophomore interclass play was "This is a Test" and the school musical was "Mame." The Class of 2002 became a bigger force on athletic teams and in the classrooms of LHS. Mr. Paul T. Fleming retired after 5 years at Leominster High School, long time Vice Principal Mr. Peter Michaels retired after 44 years of service to the Leominster School System, and Mr. George Luoto was appointed CTE Director We left our sophomore year more mature, more committed, and half-way through our high school careers.

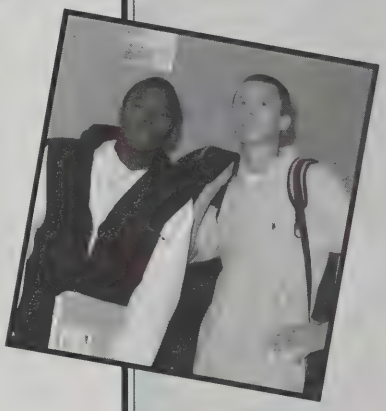

History

Junior Year

In August of 2000, we began our junior year at LHS. New principal, Dr. William Hart, and new assistant principals, Mr. Dominic Ciccolini and Ms. Jane McGuire were appointed. Superintendant, Dr. Joseph B. Rappa, resigned and Assistant Superintendant, Marilyn Fraturelli, was appointed interim. New class advisor, Mr. Daryl Robichaud, took the place of Mr. Browne. Our newly elected slate of class officers was President Michael DiLillo, Vice President Marc Lanza, Secretary Jackie Milhans, and Treasurer Ted O'Leary. Our homecoming court members were Jackie Kelly and Brian LeBlanc. The junior interclass play was "Sorry, Wrong Number" and the school musical was "Hello Dolly." Junior year brought us upperclassman status, more resposibilities and many new challenges including jobs, drivers liscenses, Advanced Placement courses, PSAT's and college searches. We planned and attended our Junior Prom,"Wonderful Tonight," with the realization that our high school years were almost over. As the class of 2001 approached their graduation, we looked on, anticipating our own. In June we left LHS looking foward to our final year.

Senior Year

All too soon, August of 2001, we began our senior year. Miss Kemp's resignation left us short an advisor again and Mr. Browne returned and joined Mr. Robichaud to guide us through our final year. Chris Young became our new dean.Together on September 11th in our classrooms at LHS we witnessed the terrorist attacks on the Twin Towers and the Pentagon. In an all school effort we raised over five thousand dollars for the Red Cross. We elected our class officers for life: President Marc Lanza, Vice President Jane Dubzinski, Secretary Jackie Milhans, and Treasurer Karen Progen. Our homecoming court members were Jillian Richards and Phil Johnson. Homecoming king and queen were Erik Kistler and Jackie Kelly. We initiated the Freshman Class of 2005, held our senior breakfast and rally, and took our class picture. Jesse Garcia was our first annual Mr. LHS pageant winner. Senior year brought many deadlines including college applications, senior pictures, and cap and gown measurements. It was both hectic and exciting at the same time. At mid-year, it began to hit us that senior year was quickly coming to a close. With college acceptances coming in and graduation day approaching, we feel nostalgic about our days at Leominster High School. We hope this brief look back touches on some of your memories of our 4 years at LHS.

Farewell Class of 2002. You were truly ***Two Good To Be True.***

Two Much Fun

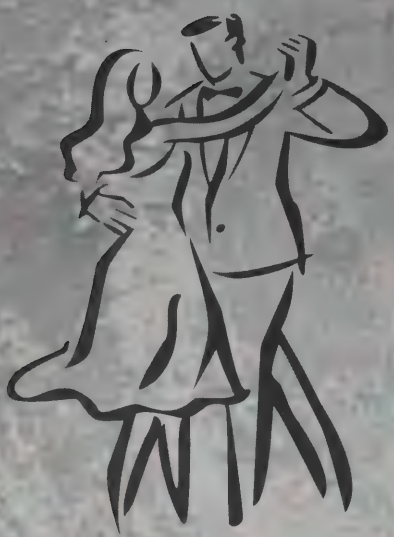

Junior Prom

"Wonderful Tonight"

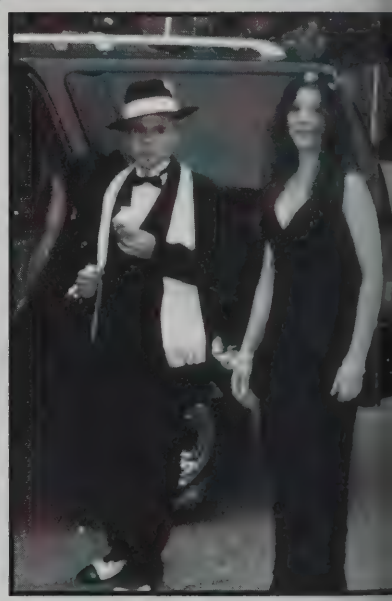

Though it had rained all day April 6th, 2001, at 6pm the clouds broke just in time for the class of 2002's Junior Prom. The Italian-American Center was beautifully decorated in purple and silver. Our theme was "Wonderful Tonight" and that's exactly what it was. In our tuxes and gowns we danced the night away. After a great evening, we left anxiously anticipating our Senior prom.

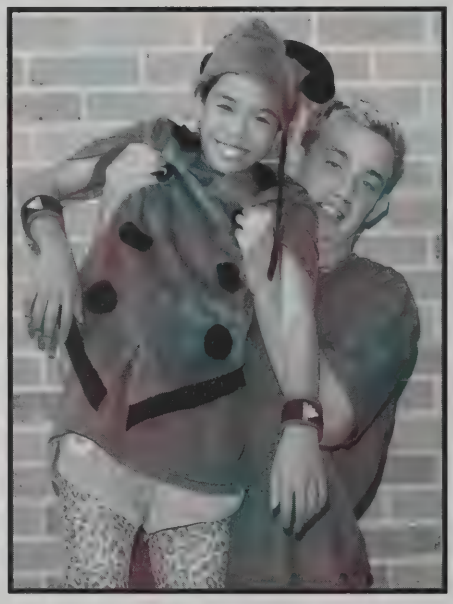

Freshman-Senior Wee

Against past tradition Senior/Freshman week was held fairly early in the school year. It began on September 10th and ran until September 14th. The week included Blue and White Day, Hat Day, Celebrity Day, and Costume Day. From Janet Reno to Pooh Bear, the creativity of the seniors shined. Push-ups, peanutbutter, and running alongside cars made the week a bit more interesting; although they also served as a major pain to the administration. We ended the week with a pizza party; however, the friendships made would last much longer.

Homecoming 2001

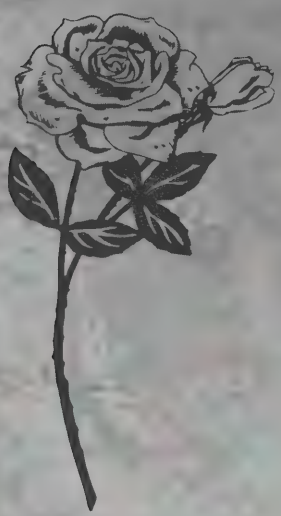

On Friday night, September 28, 2001, Leominster High School held Homecoming Festivities at Doyle Field. During halftime, Jackie Kelly and Erik Kistler were crowned King and Queen. The court was made up of seniors Jillian Richards and Phil Johnson, juniors Sarah Griffin and Dave McGuire, sophomores Becky Small and Jeff Ford, and freshmen Lindsay Snow and Anthony Bizzotto. Everyone was uniquely dressed to fit their own personal "style" making Homecoming 2001 a night of anticipation and excitement. Following the game, the court was presented at a dance in the high school gym. It was definately a night to be remembered.

Senior Breakfast

2001

On Tuesday morning, November 20, 2001, our annual Senior Breakfast took place in the cafeteria. The seniors and faculty mingled while enjoying a delicious meal prepared by CTE. After breakfast and socializing, everyone gathered outside for the "2002" picture. Check it out on page 52! Then we headed back inside for the rally. This year, part one of the rally was for juniors and seniors only. Freshmen and sophomores were called up later to join in the fun and spirit boosting.

Thanksgiving Rally

On the Tuesday before Thanksgiving, the Class of 2002 staged a rally that rocked the gymnasium. School spirit was high and the fans were impressed by the presentations of the cheerleaders, band, senior moms, mock football players, and mock cheerleaders. The players were introduced and presented with flowers and balloons and entertained by the seniors who put on a pre-game dance skit. Although the outcome was already known, everyone, enjoyed watching the Blue Devil dance circles around the Red Raider in Michael Jackson style. We all left looking forward to the big game.

Don't Drink the Water

On October 26 and 27 and November 2 and 3 the Fine Arts Club presented "Don't Drink the Water" by Woody Allen. Produced by Mr. Barry Lew, directed by Ms. Ruthe Lew, and arranged by a first time stage crew, the results were remarkable. This hilarious show starred Nick Goss, Danielle Aube, Meghann Kelly, Nick Tully, and Brian Bassett. Supporting cast members included Chris Roser, Caitlin Egan, John Forbes, Peter DiFrancesco, Leann Monat, Daniela Ciccoline, and Emily Page. This production received great "word of mouth" and was sold out for its last performance. Leominster has had a long history of performing unforgettable shows and this was another one for the list.

We Know a Thing or Two

Dear Class of 2002,

It has been a pleasure and honor to be your principal for the past two years. You are a class of leaders whose impact on Leominster High School will be felt for many years. You will soon be Leominster High School Alumni with all the privileges and responsibilities that come with your diploma.

I will never forget the speed and determination with which the Class of 2002 responded to the September 11th tragedy. You mobilized as a class and led the school as Leominster High School Seniors. The community is still talking about how local students made their community proud by supporting fellow Americans in their time of need. Led by the 2002 seniors, Leominster High School was awarded an official recognition by the City Mayor. Your actions speak volumes about the Class of 2002 character.

Pride and school spirit have soared under your leadership. Students' enthusiastic attendance at school functions is a clear school spirit indicator. A significant increase in positive student responses to our yearly School Community Survey clearly indicates student satisfaction with Leominster High School. Your positive role modeling for underclassmen will continue to impact Leominster High School for years to come.

Thank you for all you have done for our school. We will miss your positive contribution. I wish every one of you health, happiness and prosperity. Leominster High School is and will remain your high school.

Best of Luck,

Football

The 2001 Leominster High School Varsity Football Team had a very successful season, finishing with an overall record of 8 and 3. Led by Coach John Dubzinski and Senior Captains, Billy Gabriel, Ken Norton, Mike DiLillo, and Jose Navarro, members of the team showed dedication, stamina, and pride. The team gave their best effort all season. Despite a tough loss to Fitchburg on Thanksgiving morning, they were a credit to Leominster High School's proud football tradition. With many talented underclassmen in the ranks, next season looks promising.

Boys' Soccer

The 2001-02 LHS Boys' Varsity Soccer team had an amazingly successful, but not surprising, year. Coach Emil Johnson and Captains Carl Rodrigues and Brian Smith led the team to their second straight Mid Wach A League Championship.The team was also Division I Central Mass Finalist for the second straight year. In district play, the team was able to defeat the tough competition of Worcester North and Milford. Unfortunately, also for the second year in a row, the team lost to St. John's who went on to win the State Championship. The team says goodbye to seven seniors, all of whom will be missed. Carl Rodrigues finished his high school career with 15 shutouts in 42 games and only 1.05 goals per game scored against him. Diego Barybar was the Mass Senior All-Star. Carl, Diego and senior, Brian Smith, also made the Mid-Wach A Allstars with Charlie Fuentes,Alex Rocheleau, and Gary Rocca. The team looks forward to next year and another shot at the Championship.

Field Hockey

Starting off the season with high expectations, twelve of Coach Nicholson's first graduating senior class, and the first time ever players to experience wearing goggles, the Leominster High School Field Hockey Team ended their season with a 13-6-1 record. Not only did they beat arch rival North Middlesex, but they also defeated St. Peter-Marian 3-1 in Districts. Unfortunately the girls were defeated 2-1 in overtime in the quarter finals by Westboro. The twelve seniors will greatly miss Coach Nicholson. All are looking forward to another great season next year.

Diana Marchand

Diana Elise Marchand,
So many heart filled memories as you close out a chapter in your life.
Thank you-for being you.
Compassion, understanding, integrity, dignity, devotion, sincerity, and loyalty
are only some of the words that best describe the wonderful person you have become.
Your entire family is so proud of you.
You have filled our hearts with love joy.
Not through the accomplishments you have earned,
but for the young woman you have become.
A wonderful daughter, a loyal sister, a devoted "auntie," and a good friend.
We love you - Mom, Dad, Kim Steph, Calee & Connor

Samantha Berube

Once So Small
but so quick on her feet
She was never the girl
to stay in her seat.
The years went by
All to fast
the memories of her childhood
that will always last.
A very beautiful person
a very true friend
one to always see things
to the very end.
A true team mate
always on the go
it wasnt to often
you seen her sun glow
Now a young lady
ready to be on her own
we will always be here
So never feel alone.
Sam has style
Sam has grace
In our hearts
She has first place

Whitney Hoffman

Hurray Whitney! You have climbed the mountain, now soar beyond. Roots and wings has been my firm belief in raising you through the years. I've held you close and learned how to let you go as you matured in the lessons of life.

Your young life has been a life of wonderful surprises. In the process we've learned that you can learn just as much from failures as from your successes and that unconditional love will get us through anything. I want you to know that you do far more things right than wrong and you have made me so very happy, far more than sad. Keep with you always your morals, values, and lessons learned. They are yours for a lifetime to draw upon.

If I could give to you the best piece of advice now, I would say "The purpose of life is a life of purpose." Continue to find yourself, know yourself, and be yourself. Knowing that change is ever evolving, be the beautiful soul that you are and are meant always to be... My heart is filled with a heart full of love and thankfulness for you, my wonderful Whitney, forever.
